

# FRESHMAN ADMISSIONS

## HOW AND WHEN TO APPLY

Apply at [calstate.edu/apply](https://calstate.edu/apply)  
Applications for the fall term open October 1.

### IMPORTANT INFORMATION FOR FALL 2022 ADMISSION

The California State University (CSU) temporarily suspended the use of ACT/SAT for Fall 2022 admission consideration. The majority of applicants will be admitted based on overall "A-G" GPA, and select applicants may also be considered for admission based on a Multi-Factor Review Process (MFRP).

### MINIMUM CAL STATE LA ADMISSIONS REQUIREMENTS

- Complete the "A-G" college preparatory courses with a grade of "C-" or better.
- Achieve a qualifying overall post-9th grade "A-G" GPA as follows:
  - California residents and graduates of CA high schools: 2.50 GPA
  - Non-California residents: 3.00 GPA
- Meet the Cal State LA ranking GPA cut-off;
- Graduate from high school, or earn a GED; and
- If needed, satisfy the English Language Proficiency requirements (e.g., TOEFL, IELTS, PTE, and Duolingo English).

### LOCAL AREA ADMISSION GUARANTEE

Except for pre-nursing majors, local applicants will be guaranteed admission if they meet the minimum CSU Freshman Admission requirements and have an overall "A-G" GPA of 2.70. Local applicants below this GPA may still be considered for admission. Applicants are considered local based on their high school of graduation, or military status.

### FRESHMAN PRE-MAJORS

Freshman admission to all majors will be to a "pre-major" status.

### MULTI-FACTOR REVIEW PROCESS (MFRP)

Except for pre-nursing, applicants who are CA residents or graduates of CA high schools that do not meet the ranking GPA (but have a 2.00+ GPA and meet all other admission requirements) may go through the Multi-Factor Review Process (MFRP). In addition to GPA, the MFRP also considers the number of "A-G" courses beyond the minimum 30 semesters, local admission area status, household income, work experience, extracurricular activities, and other available applicant information.
