HOW WE SUPPORT YOU

At Cal State LA, we are committed to your success. We offer an array of services to help you achieve your dreams and graduate on time. Whether it's our Educational Opportunity Program, Veterans Resource Center, Erika J. Glazer Family Dreamers Resource Center, WellBeingU initiative, or countless other support services, we will ensure that you'll have what you need from your first day to the day you cross the stage at Commencement.

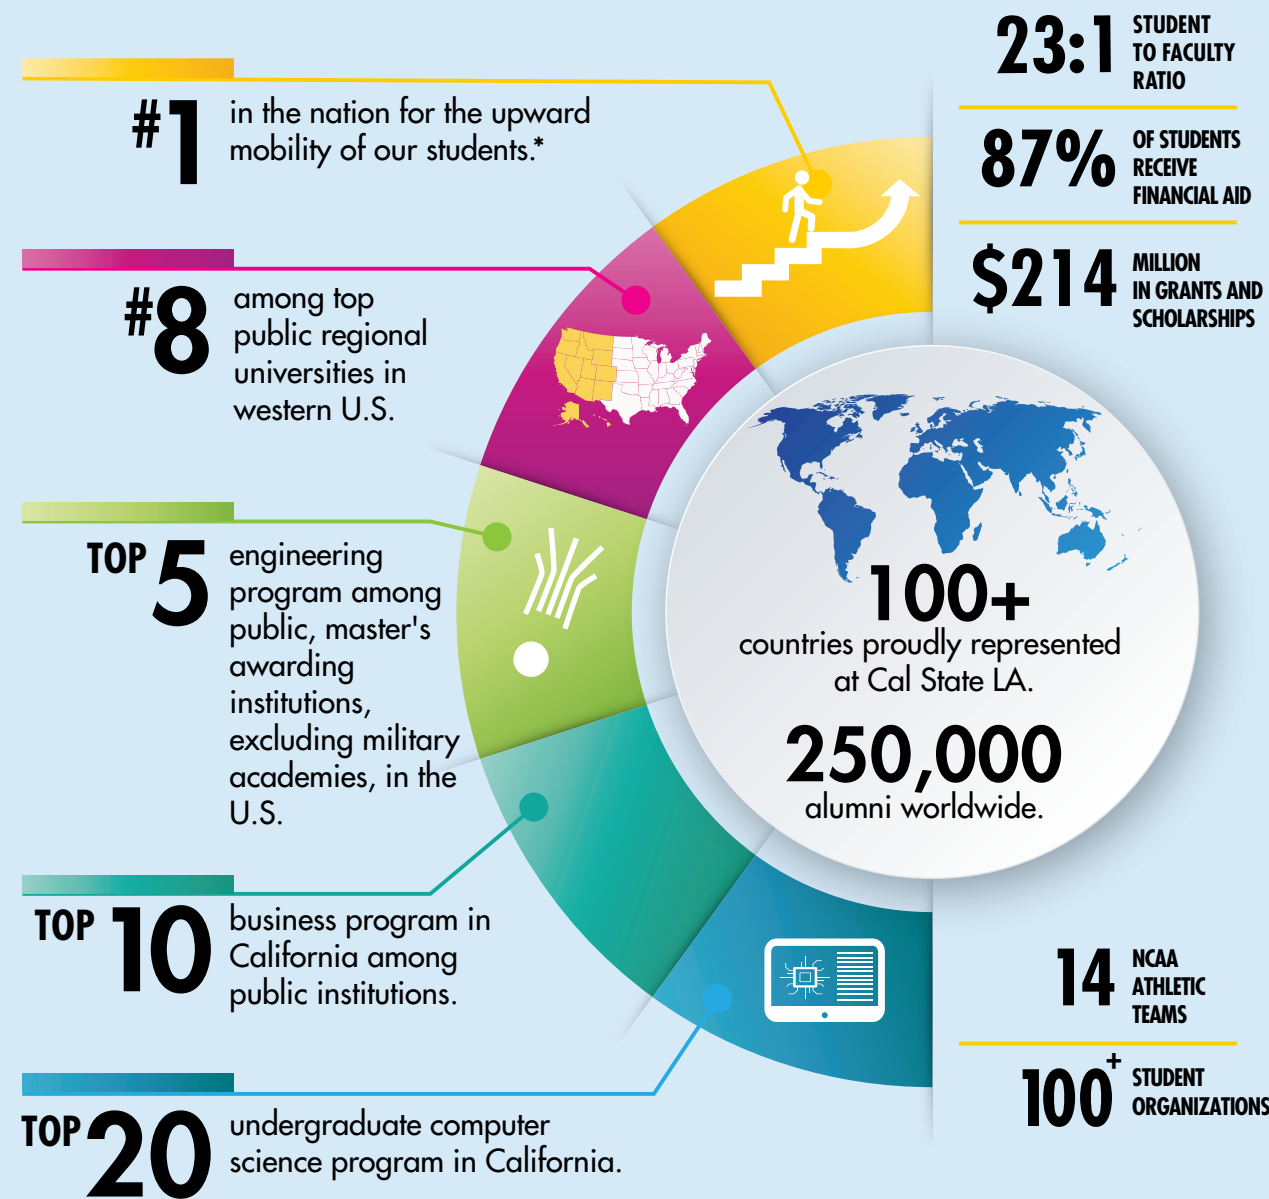

Richard Hu

'22, B.A., Asian and Asian American Studies
'22, B.A., Communication

"I can't speak for everyone, but in my three years here, I met so many amazing, critical, and passionate scholars who have supported me in ways I could never imagine. And this support isn't just in academia; it is also in our mental well-being and our ambitions outside of class."

BY THE NUMBERS

*Cal State LA is the best in the U.S. at helping students climb up the income ladder. For the latest Cal State LA rankings, please visit bit.ly/calstatela-ranking.

CAMPUS LIFE

Make Cal State LA your home away from home. With more than 27,000 students and 100+ clubs and organizations, there's something for everyone. When you join our university community, you'll have the opportunity to live in our contemporary residence hall or apartment-style housing, where you'll have everything you'll need right on campus. Live on campus, get involved, and soar to graduation and beyond.

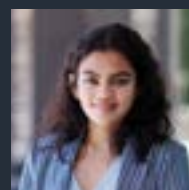

Erick Rojas-Torres

'22, M.S., Electrical Engineering;
'21, B.S., Electrical Engineering

"Cal State LA is a place of inclusivity. Even though we all have different racial and financial backgrounds, different genders and sexual orientations, different religions, and customs, we were all welcomed."

ACADEMICS

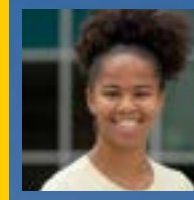

Discover your passion through more than 100 undergraduate and graduate programs across nearly every field. At Cal State LA, we put our students' academic success, career readiness, and well-being at the center of everything we do. We provide opportunities for our students to conduct research or participate in internships at the undergraduate level, in order to help prepare for their future careers.

Nikita Mishra

'22, B.S., Biochemistry

"I have had incredible opportunities to work with faculty on various projects related to the health field, and these experiences helped me really fall in love with the power and beauty of science."

Nicole Flenbaugh

'22, B.A., Television, Film and Media Studies

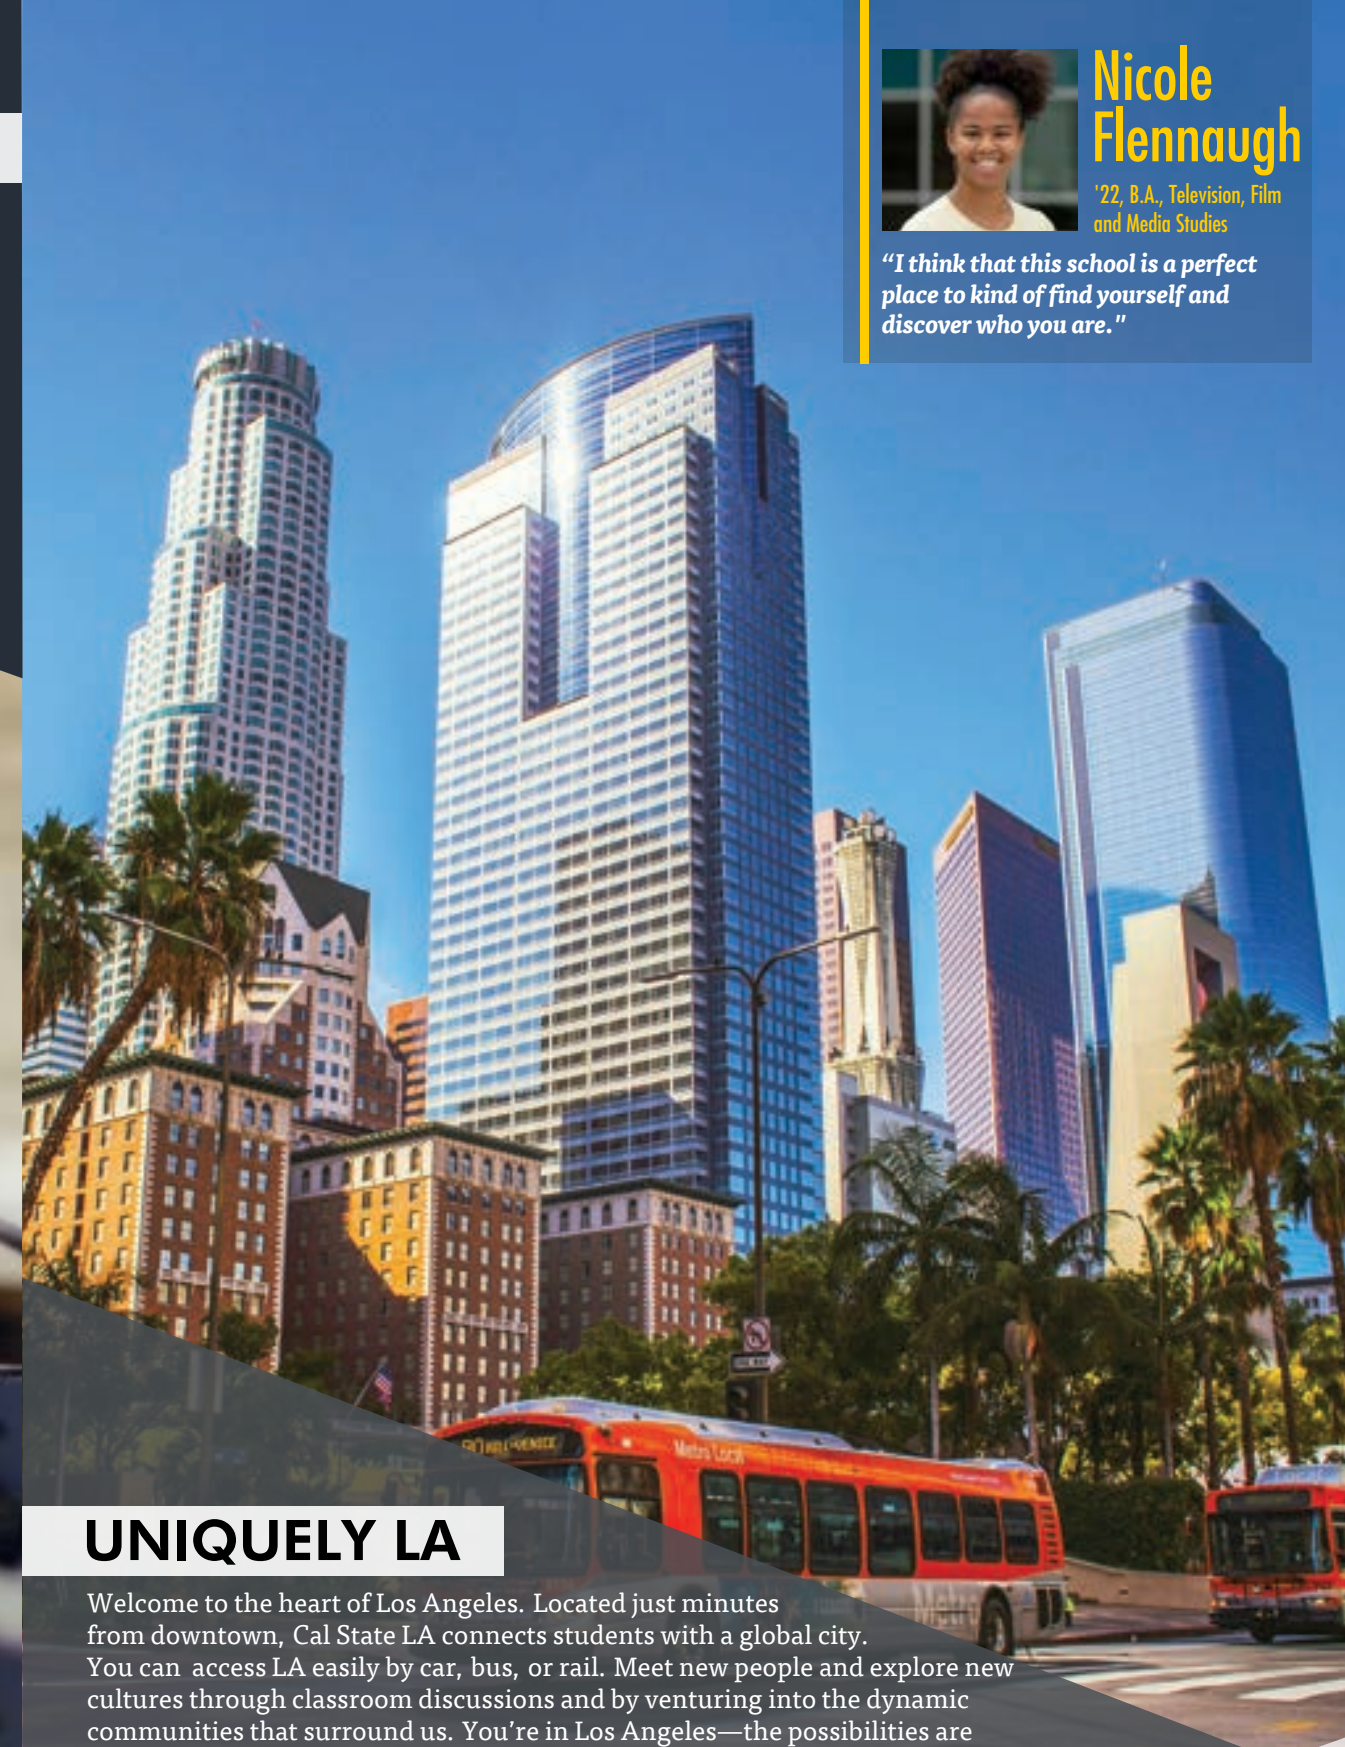

"I think that this school is a perfect place to kind of find yourself and discover who you are."

Ashley Hernandez

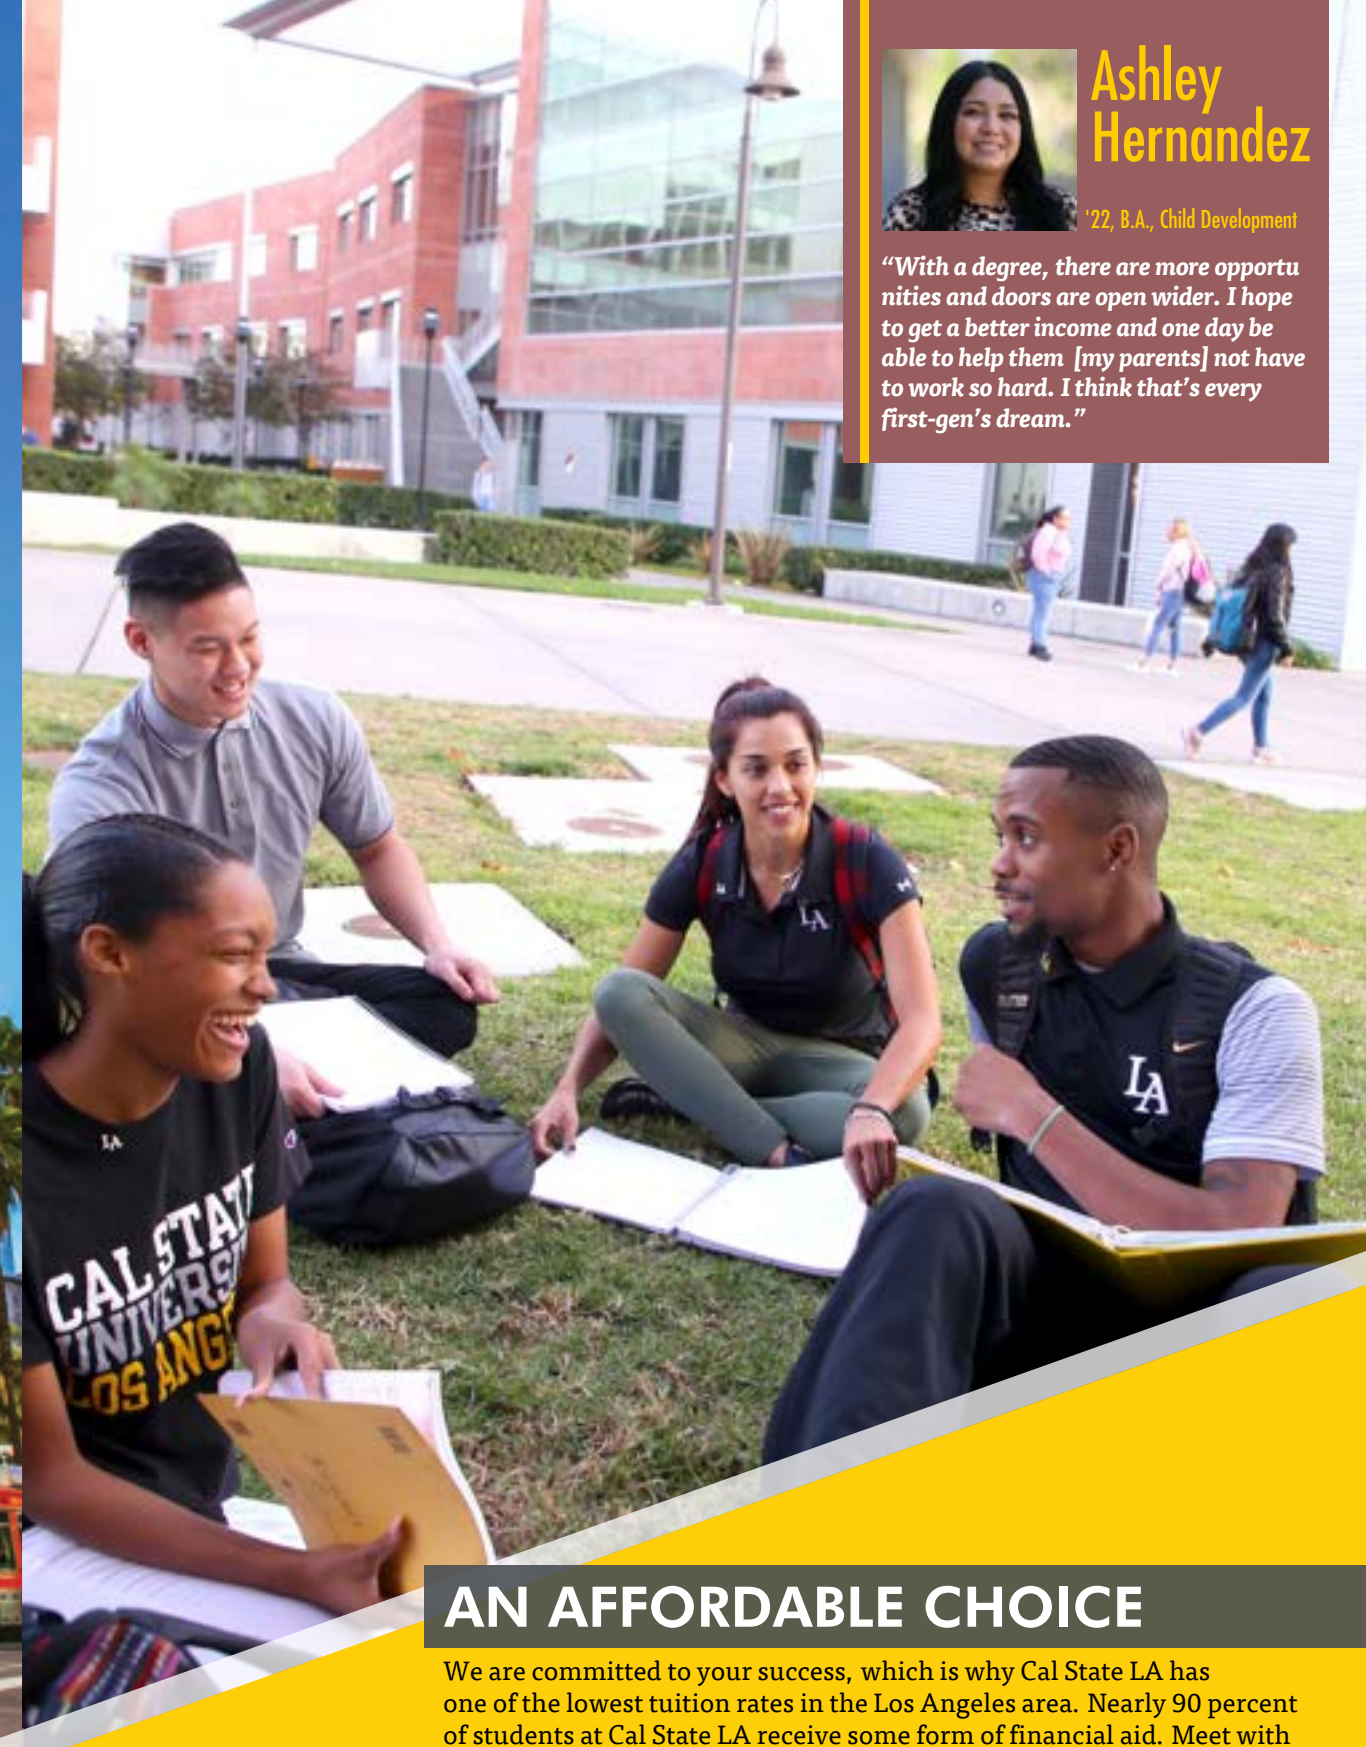

'22, B.A., Child Development

"With a degree, there are more opportunities and doors are open wider. I hope to get a better income and one day be able to help them [my parents] not have to work so hard. I think that's every first-gen's dream."
